Lemon Cherry Gelato concentrates are available in various forms, offering a potent and flavorful experience. These include:

- Crumble Dabs: A concentrated extract with a crumbly, terpene-rich texture, offering bold aromas and flavors.
- Live Resin Sugar: A fruit-forward extract, delivering a heady blast of lemons, cherries, gas, earth, and fruit, known for its elevated THC and terpene content.
- THCa Sugar Wax: This concentrate offers a crystalline, sugar-like texture and is packed with a rich terpene profile, delivering the vibrant, fruity essence of Lemon Cherry Gelato.
- Kief: The essence of pure cannabis trichomes, meticulously collected through sifting from cannabis flowers, providing a clean and potent addition that can be dabbed or sprinkled over flower or a joint.
